

EASTBOURNE BANDSTAND

What's on 2023

The Busiest Bandstand On Planet Earth

Welcome To Eastbourne Bandstand

Eastbourne Bandstand is back to reclaim our title of the Busiest Bandstand in the world! We will be re-opening at the end of April 2023 with a packed programme of summer shows following the first stage of restoration to the building.

The restoration works are largely structural so most improvements will be behind-the-scenes and not very visible to our visitors, but they have made a great impact on the longevity of the building and our yearly programme.

This year we'll be bringing back the crowd favourites with tributes to the likes of Queen, ABBA, ELO and all the usual floor-fillers. On top of that, this year you will also see a range of new tribute acts gracing the Bandstand Stage with music from Ed Sheeran, Eurythmics, The Stranglers and many more.

Other events will also be returning to Eastbourne Bandstand, with our 1812 Firework Nights on Wednesdays and Traditional Concert Afternoons on Sundays set to showcase brilliant bands across Sussex and further afield. We are very pleased to announce that the Central Band of the Royal British Legion will be back to perform their well-loved week of concerts at the start of August.

Local musicians will also be pleased to hear that Open Stage Mondays are making a comeback this summer, so get in touch with us to book your slot in the spotlight!

The Kids Disco Nights on Tuesdays will run through the summer holidays, full of fun with DJ Oli and DJ Jay as well as dance competitions with our seafront mascot Leo the Lifeguard.

Take a look through our super summer schedule packed with performances all the way through to our Halloween Finale. Tickets are now on sale online, over the phone and at the ticket office. As always, FOB members receive great savings on our shows and at the bar, as well as discount at other locations like Helen Garden, The Stage Door and the Welcome Building, all well worth a visit!

We look forward to seeing you again very soon!
